Sleepwell[®]

DUET

Dual comfort mattress

Sleepwell is recognised in India as a specialist who provides state of the art sleep support solutions that lead to good health and serenity in our daily lives. A flagship brand of Sheela Group and is ISO 9000:2001 certified.

The brand has established itself on its relentless endeavor to bring the most advanced technologies from across the world, and on matching its products with the demands of the modern consumer. Our innovative range of products underline our focus on not just sleep but on quality sleep.

DUET

With our extensive research and understanding of varying consumer needs we present the 'Duet Mattress', an exclusive double sided mattress from Sleepwell. The mattress is comprised of two layers to give you dual hardness. The soft layer is of Latex Plus material and the firm layer is of high density super bonded material. It is quilted from both sides for enhanced comfort and an international finish.

Reversible Mattress For Dual Comfort

Key Features & Benefits :

1. Duet Advantage

- Offers a Firm side and a Soft side in the same mattress for personalized comfort.
- All season comfort.

2. Premium & Durable

- Premium Cotton Satin fabric.
- Duet mattress offers long durability.

Ultra-fresh* Advantage:

Duet mattresses are treated with Ultra-Fresh, an internationally recognized treatment available in India exclusively with Sleepwell. It prevents the breeding of dust mites, bacteria and hence prevents respiratory problems and is a boon to asthmatics.

SANtech™ Advantage:

All Sleepwell Flexi-PUF products incorporate advanced SANtech™ technology to enhance firmness and breathability for added comfort.

Standard Thickness :

125mm(5")
