Impressions

Sleepwell presents Impressions, a range of premium mattresses specially engineered to rejuvenate you everyday. Incorporating visco elastic temperature sensitive material that's been developed by NASA, with a Latex Plus core to give you better support and superior comfort. With its special emphasis on correct sleep posture and contour sensitivity, this mattress focuses on not just sleep, but high quality sleep and is also recommended by health professionals worldwide.

Key Features & Benefits:

1. Incorporating Visco Elastic Temperature Sensitive Material

A revolutionary product developed by NASA in combination with a Latex Plus core.

2. Senses and shapes itself to your body:

- Contours itself to your pressure points without pushing them back.
- Gives optimal support and distributes body pressure evenly

3. Health & Serenity

- Improves blood circulation at contact points
- Beats stress & fatigue to enable high quality sleep.

4. Premium & Durable

- Premium fabric cover for a plush international feel.
- Impressions mattress offers long durability.

Ultra-fresh* Advantage:

Impressions mattresses are treated with Ultra-Fresh, an internationally recognized treatment available in India exclusively with Sleepwell. It prevents the breeding of harmful dust mites, bacteria and fungi hence prevents respiratory problems and is a boon to asthmatics.

SANtech™ Advantage:

All Sleepwell Flexi-PUF products incorporate advanced SANtech™ technology to enhance firmness and breathability for added comfort.
