Sleepwell.
Latex Plus
BOUNCE BACK TO LIFE

Sleepwell is recognised in India as a specialist who provides state of the art sleep support solutions that lead to good health and serenity in our daily lives. A flagship brand of Sheela Group. It is ISO 9000:2001 certified.

The brand has established itself on its relentless endeavor to bring the most advanced technologies from across the world, and on matching its products with the demands of the modern consumer. Our innovative range of products underline our focus on not just sleep but on quality sleep.

Latex Plus

Sleepwell presents Latex Plus, a premium range of mattresses that redefine your perception of luxury. Bounce back to life with Latex Plus technology, which combines all the advantage of traditional Latex with the legendary special features of Sleepwell to give you the ultimate sleeping experience.

Key Features & Benefits:

1. Unique Hand Feel

Latex Plus offers the smooth, soft feel previously associated only with natural latex.

2. Resilience Matched with the Best Natural Latex

Latex Plus is a new formulation which offers ultimate comfort with added bounce. Resilience test results show that Latex Plus and Natural Latex are very similar.

3. Superior Comfort

Latex Plus reduces pressure points, thereby providing adequate support with luxurious comfort.

4. Premium & Durable

- Premium knitted Jacquard fabric.
- Latex mattress offers long durability.

Ultra-fresh* Advantage:

Latex Plus mattresses from Sleepwell are treated with Ultra-Fresh, an internationally recognized treatment available exclusively in India with Sleepwell. It prevents the breeding of harmful dust mites, bacteria and fungi prevents respiratory problems and is a boon to asthmatics.

SANtech™ Advantage:

All Sleepwell Flexi-PUF products incorporate advanced SANtech™ technology to enhance firmness and breathability for added comfort.
